

INTRODUCING

# 3<sup>rd</sup> Edition Training Programs

Available July 24, 2023

**For more than 40 years**, CPI has offered highly effective de-escalation training to organizations around the world. We continually evolve our training based on the latest evidence-based research and adult learning principles. And our next step in this evolution is the launch of our 3<sup>rd</sup> Edition training.

## Updated Content and Flow

- ✓ **Greater emphasis** on understanding risk behaviors and the psychology of the brain during crisis
- ✓ **Focus on providing** person-centered care inclusive of age, gender identity, and culture
- ✓ **Real-life experiences** on how trauma impacts behavior

## Easier to Teach, Learn, and Apply

- ✓ **Updated instructor guide** enables seamless delivery whether in-person, virtual, or both
- ✓ **Updated participant workbook** created to be referenced well after course is over
- ✓ **New video tools** and electronic presentation
- ✓ **Interactive discussion questions** for practicing learning concepts with others
