## Delivery options to fit your schedule

### Instructor Certification Program

Our train-the-trainer method equips select staff to become Certified Instructors who then provide ongoing training to all staff when needed.

**OR**

### Direct Delivery

One of our Global Professional Instructors serves in the role of Certified Instructor and trains your organization directly in the selected program.

## How our training works

Train-the-trainer is the primary method that CPI uses to bring de-escalation and behavior management skills to your organization.

CPI recommends a **1:50 Certified Instructor** to staff ratio

Simplified roll-out: each Certified Instructor conducts **two 25-person trainings** each year
