CPI European Conference 2014: Organisational Approaches to Restraint Reduction

Pre-Conference

A schedule of pre-conference training programmes is also planned on 23rd – 25th June at the conference centre.

- MAPA® Foundation ICP for *Nonviolent Crisis Intervention*SM Instructors – an introduction to new concepts and techniques for *Nonviolent Crisis Intervention*SM Certified Instructors.
- *Dementia Capable Care: Behaviours* Instructor programme – open to all comers, this programme shifts participant thinking to focus on an individual's remaining abilities and provides appropriate communication and behaviour management strategies.
- Autistic Spectrum Conditions – a foundation renewal option for existing MAPA® Instructors. Provides additional skills and knowledge to help tailor training to help staff meet the unique challenges that an individual with Autism can present in a crisis situation.
- MAPA® *Advanced Physical Skills* – builds on the Foundation programme and is suitable for organisations who work with individuals whose behaviour may be more unpredictable and higher risk. Only available to those who have previously completed a MAPA® Foundation-level programme.
